

Our family sends you much love this Christmas season and we pray that you find Christ your joy and strength through the coming 2022!

Christmas is a great opportunity to share a bit of family news with each other and here's a brief bit of news about our family.

Paul and Deb: We're heading back to the Philippines Lord willing on April 11th. This year in Perth has been loaded with special times with Jubab and our extended families, and Paul has recovered well from major surgery on his feet. Ministry wise it has been very busy but it has also been a very refreshing time for us and we have been strengthened in the Lord.

Jubab and Freya: They met at the beginning of this year at the Christian Union group at their University here in Perth. They started dating in April and have fallen pretty seriously in love. They are both in their second year of Uni and involved in ministry in their churches and at their Uni. Jubab works part time as a waiter so he stays pretty busy but is very happy.

Jen and Udi: They have had a great year in spite of the severe difficulties experienced in the Philippines due to the pandemic. They continue to be part of the pastoral team of the church in Cauyunan and Udi has been a key player in the Gospel going out to many new areas. Our younger grandkids – Clint, Jhamaica and Lloyd – have had a good year and are growing fast. Hugging them is one of our first priorities when we get home to the Philippines!!

Charly: Since last year, Charly – Jen and Udi's eldest - has lived in our home in Cagayan and she has been running our household while we've been gone as well as studying. She is a 2nd year Nursing student at one of the Universities in Cagayan. She's looking forward to Grandma and Grandpa getting home and we can't wait to be back with her.

All for now.....MUCH LOVE, from our FAMILY!!
